The Story:

as this was my first time i was a little nervous to say the least, but demi soon sorted that, started off with a nice massage, including the very soft and suckable nipples, she then moved on to play with her dildo, what a sight, then we had a spot of oral (her receiving whilst playing with toy), she definitely seemed to enjoy it, we then got rid of the toy and she straddled my face as we enjoyed 69 position, i have to say she was so good with the hat i didn't feel it go on, the rest, well lets say she's definitely worth a visit, thanx demi for a great time
