The Story:

Started with Paris' famous lap-dance with me sat on the end of the bed and encouraged to touch. After some OWO she was happy to accede to my request for cuddling and this developed into some body to body with much kissing and eventually after some of my favourite cowgirl we finished with a mutual orgasm in mish. We lay cuddling and chatting for a further ten minutes with no attempt on Paris' part to finish the session. Definitely an event to be repeated when next in Bristol.
