The Premises:

Soft touch is a clean and friendly place on an industrial estate. Easy to find and always given a nice welcome.

The Lady:

Kim is early 30's blonde hair and great boobs simply amazing! Shannon mid 40's nice figure and lovely pert boobs with great nipples!

The Story:

Usual good welcome from shannon as friendly as ever as i have seen her many a time before! Kim could be the one of the very best masseuses ever if she would interact a bit more! Had the feeling she wasn't enjoying it whereas shannon makes it clear she's having fun! I will go back to see kim alone though!
