The Premises:

Private apartment in a modern block. Spotlessly clean. Very discreet, easy to locate and to park.

The Lady:

Tall and very attractive. The photographs on her website don't do her justice - better in the flesh - something she doesn't seem to believe!

Dressed in white - basque and suspenders - which only serve to enhance her great figure.

The Story:

Fabulous GFE from a caring and considerate lady. A back massage which could have gone on forever - with just a hint of naughtiness! Later she paid special attention to all the relevant bits, and I was able to return the favour - which I think she enjoyed.

Finally, sex in mish and doggy, finishing with an oily hand-job.

A great, no-rush time with a special lady.

Thanks Sasha, and see you soon I hope.
