The Premises:

flat on the main drag of sauchiehall st, near to all the bars and clubs. reasonable, pretty dingy but clean enough.

The Lady:

about 5ft 5, fine body, pretty face. tits to die for and nipples to hang your coat on. slim with with curves and no excess fat at all.

The Story:

came in and brought me a drink, gave a light massage and started playing with my 'beeeeg cock'. started suckin and i could have let her do that all day, but i wanted more.fucked her a little and then she asked me to come to her ass. decided i would oblige her!

was verrry tight at first but soon got more lube. i pounded her ass relly hard, she made all the right noises 'fuck my ass bayby' she moaned as i had her legs over my soulders punding her. then took her doggy and swapped between her ass and pussy. was fucking her ass and fingerin her pussy at one point while playin with her hot tits. shes a real dirty girl and very enthusiastic. if u like pummeling a girl in the ass, u gotta go see her.
