The Premises:

A clean, discreet and well kept apartment in Salford Quays

The Lady:

Good looking, petite, brunette with large natural breasts.

The Story:

Although polite, Carice wasn't very chatty and I got the impression she didn't particularly enjoy what she does.

To cut a short story shorter, I paid ?120 for an hour's companionship at 1.45pm. A pleasant massage followed and then some unenthusiastic sex (from her, not me!). Expecting maybe a cuddle and "another go" after I had cum the first time Carice asked me to take another shower (i.e. sod off).

I came out of the shower to find she had left the bedroom door open to the (busy) corridor - although luckily there was no one going past at the time (for them - not me!) Carice came back in after a minute and cleared up the room, placing fresh towels on the bed. I tried to start conversations a few times, to be met by either silence or a one line reply. Maybe she was having an off day.

At 2.10pm I was standing outside the apartment door wondering what had happened!

Either way, I had spent ?120 for an hour and received less than 20 minutes of time with the girl.

You can understand 10 minutes here and there, but this was a rip off.

Service Provider's Rebuttal

The establishment writes:

I have spoken with Carice and she is extremely sorry for what has happened. There was very clearly a complete breakdown in communication which carice takes responsibility for. When the customer said he wanted a shower after 20 minutes she wrongly thought he wanted to leave. I would like to offer the customer a free 30 minute appointment by way of an apology for what has happened. I would be grateful if you could pass this message on to the customer and give him my number 07799 418484 so I can speak to him and apologise.
