The Premises:

Smart flat, shared with another girl, safe area, easy to find and very close to tube.

The Lady:

As per the pitures. Very sexy with a great body. Dressed to thrill, smelled beautiful, had obviously made an effort.

The Story:

I had an excellent time. Her english is limited, but she has a good sense of humour, warm personality, is out to have fun and is very responsive. Seems to really enjoy everything other than A. Things did start slowly, but rapidly built up to a wonderfully frantic fuckfest. A great girl, I will definitely return.
