The Premises:

This is a superb location once you manage to dodge the pub patrons congregating at street level.

The Lady:

Jada is a UK Indian girl with lovely hair and best of all she is very pleasant to talk to.

The Story:

I really enjoyed the session which consisted of a massage and a slow, teasing hand relief. Jada's D cup breasts are very lovely and firm with large brown nipples. I couldn't stop squeezing them ! Throughout the session we chatted which for me really enhanced the visit. The hand relief was slow and rhythmic and the release was very satisfying.

If you, like me, are a big fan of Indian girls, this is definitely a top class establishment especially if the other girls there are as lovely as Jada.

Service Provider's Rebuttal

Indian Palace writes:

We would like to inform everyone that the 'pub patrons' problem does not occur constantly. When people finish work after 5pm, during the week, they tend to stand around near our door and have a drink before they go home. We have put a sign up outside that says 'KEEP THE DOOR CLEAR' and this has solved the problem.

The pub customers are congregating away from our door now.
