The Premises:

Very nice basement flat on a relatively quiet street near Shepherds Market.

The Lady:

Very attractive Russian girl with a beautiful smile, long brunette hair and great body.

The Story:

Audrey is a really friendly girl and this, matched with her looks and sexy Russian accent make a winning combination.

On arrival I took a shower whilst Audrey fetched some wine. We then drank a little and chatted before round 1. This consisted of some fantastic OWO - nice and deep and Audrey varied the pace really well. This was followed by her riding me cowgirl and it was not long before I came inside her. We then had another drink and a chat. Audrey has been learning English over the last few months and, in my opinion, she must be a star pupil as there is little problem conversing with her.

Next on the cards was me giving her oral, which she appeared to enjoy and I certainly did. Audrey has very well developed pussy lips, which gave my tongue and teeth plenty extra to play with!

Once she was nice and wet we fucked in mish before she finished me off in her mouth.

We then had another drink before I took another shower.

I found Audrey one of those girls that you just want to have, she is great in bed and is great to talk to. Might well go back for an overnight session once my bank balance looks a little more healthy!
