Modern block of flats in the Bayswater/Paddington area. An intercom system. Porter sits on the desk so safe and secure.

The Lady:

Busty EE teenager. About a size 12. Aged about 19. Some acne was covered up by mascara but attractive.

The Story:

Came across as shy at first but she warmed up nicely. Quite giggly and friendly. Good bbj and cim. However, it was dribbled back onto me and this is something I dont really like. She preferred giving the bbj rather than a penetrative service and when I asked for a condom she started another bbj. Didn't appear to be too keen on sex but equally this could be due to the lack of time. After the initial bbj I just relaxed a little too long as I was quite tired. BBj was good and she even did some rimming but thats not really my thing. She put a fair effort in while being friendly and sweet natured so I would recommend without any hesitations. However, it wasn't one of those punts that stand out for me. 7/10 on both fronts.
