### The Lady:

You can see very accurate photos of her on her website. She has fantastic c cup breasts

### The Story:

Was told to have a shower and entered the bedroom to find Kat lying naked on the bed. Started with some gentle kissing followed by her kissing my nipples which was fantastic. She then gave me a great BJ with loads of spit and fantastic hand action (better than mine)

She fucks really well though making all the right sounds!

She is no clock watcher either and I was there almost an hour chatting post event which was really nice.

The only problem was that she doesn't do CIM and I just assumed she would cause she is a porn star! A lesson to us all to check exactly what service you are getting before you go.

I probably wouldn't go again as I am searching for the perfect BJ still.
