The Premises:

Has been reported on many times before. It?s quite a discreet place to enter.

The Lady:

Tall, curvy lady with an attractive face and long blond hair. I was sold on the offering of a porn star experience, as she?s apparently been in over 300 porn films.

The Story:

A up and down punt. On the positive side, Claire gave some deep OWO with some horny spitting on my cock. Claire also gave a few kisses with a little bit of tongue. Sex was pretty frenzied and I?m afraid I didn?t last as long as would have liked.

On the downside I got the impression it was her main aim to get me in and out of the room as quickly as possible. The list extras was quite extensive and included things I that are usually included, eg reverse O (?10).

I think you could have a great time with Claire if you had the money, as everything seems available at a price. I don?t think I?d see Claire again.
