### The Premises:

Looked like a really nice place but I only saw the ground floor and one small room. Great help from reception helping me locate and a car park within 3 mins walk.

### The Lady:

Late 20s, size, a dark blonde hair to the shoulder and a nice figure.

### The Story:

Place was busy with bookings fully taken for the rest of the evening so decided to meet Cassie. Maybe she was having an off hour but the massage was minimal and the service very disinterested.

Sometimes it just does not work.

Will be back to THO again but not to meet Cassie.
