The Premises:

My place, so perfect!

The Lady:

Tall, Slim, not unattractive. It is her in the photo's on the web site, but they have been photoshopped to death. She has a face like a climbing wall, full of holes and pock marks.

The Story:

Arrived on time which was nice. Told OWO was an extra ?50. Bit too much in my opinion. Seemed to be totally money orientated. Asked if I could shoot on her boobs? "Not for ?110" was the reply...Major turn off. Ended up spanking my monkey while she did a little dance in front of me, which was nice, but not worth ?110.

Overall, a poor punt. She didn't seem to be that bothered if I had a good time or not, as long as she got some money. We just didn't seem to click. Shame, because she is very attractive despite the hideous skin on her face.

I'll use Bubbles again, they have some lovely girls. This one however was not!
