The Premises:

The same as my previous reports, still the same small rooms with massage tables rather than beds.

The Lady:

English blonde, early 40s, nice shapely figure, certainly not fat though. Lovely soft skin.

The Story:

Paid the usual ?15 entrance and then agreed ?70 for full personal. After massage Shelley undressed and we kissed and cuddled before she lay down on the table and let me suck her nipples which she seemed to enjoy as she fingered her pussy. She then let my fingers explore her pussy allowing me 2 thrust 2 fingers deep inside. Next I lay on the table and we kissed again, before she began to lick and suck my nipples. By this time I was ready for sex, so she rode me enthusiastically, her thighs banging against mine as I shot.

As a previous reviewer said, a very responsive and friendly lady but nothing spectacular. Shelley likes talking dirty throughout the punt and is willing to please though I'm not sure she would be everyone's cup of tea.
