Small flat a few minutes from tube station. Area felt safe. Flat well kept and tastefully decorated and very clean.

The Lady:

Gorgeous blonde lady. The pictures on the site are accurate but do not show quite what a beauty Cheryl is. Lovely smile to go with a toned body to die for. Great tits and a sweet fully shaven pussy.

The Story:

Two hours of pure sexual pleasure. I won't bore you with all the details but highlights were a great tongue massage all over including rimming followed by Cheryl bringing me to a huge orgasm with a lengthy hand job and prostate massage from behind whilst I was on all fours. Felt so good I nearly passed out. Also after I thought I was shagged out after 90 mins Cheryl knelt in front of me cupped my balls and gave me prolonged OWO. I just could not come until that is she begged me to come in her mouth so I took matters into my own hand and wanked furiously whilst she licked and sucked. As I came she said yes!, yes! and proceeded to lap up a decent load with the sexiest look ever on her face before swallowing the lot down. A fantastic lady who understands how to excite a guy and a delight to spend time with. Thanks Cheryl and well done to Susan at ATOC for ensuring the girls are the best.
