The Premises:

Sapphire Sauna and Steam is easy to find and there's plenty of parking nearby. The establishment is clean and you're made to feel welcome. You are introduced to the ladies available and have a free choice. The shower is efficient though the door handle was falling off and needs fixing. There's a steam room which I didn't use and a jacuzzi which I did - joined by Claudia.

The Lady:

Claudia's an attractive young Spanish blonde with a great figure. She's friendly and fun and speaks fluent English.

The Story:

We had about 15 minutes in the jacuzzi during which time we were able to explore each other's naked bodies. Then it was a move to a massage room where Claudia gave me a pretty good massage followed by hand relief. It was all very pleasant and I look forward to another visit there soon.
