### The Premises:

Flat is very clean and bathroom was spotless as well as clean towels provided. The flat is about five minutes walk from Bayswater tube station so it is very well located and easy to get to.

### The Lady:

I was pleasantly surprised when she opened the door as for a change there hasn't been much photoshop here, infact I found her much better looking than the pictures on the website. Age wise, I would probably guess no more than 20 but has been blessed with all woman figure.

### The Story:

Where do I start! She smelt nice all over and her pussy taste is just sublime. The OWO is simply the best I have ever had from a working girl. As for the sex, it's just mind blowing as during the 45 minutes I spent with her, we fucked in numerous position.

As I said earlier, the girl is no more than 20 years of age, but when it comes to sex she has the maturity of someone 10 years older.

I will definately be seeing her again, although my only slight disappointment is that she does not offer anal.
