The Story:

I decided to take one day off and have my "sex" day. I decided to visit again LMP in central london because I was sure to have an excellent time.

When I got there I was not disappointed; I was sourrounded by very attractive ladies, as usual, and an extremely friendly and relaxed atmosphere.

Food is excellent too! plenty to eat and to drink, just what you need to recover your energy.

This is the place to be if you are into parties. I tried other organisers but I think LMP are the best parties in town.

Highly recommended, and if you take a day off, I suggest you attend two parties in a day to make the most of it.
