The Premises:

Modern appartment in a building, still being developed, minimalist in design. Good area some on street parking but can prove difficult but not insoluble.

The Lady:

As on her website, 5'10", slender stunner. Good phone manner and a super conversationalist.

The Story:

A worthwhile and expensive experience(you get what you pay for).

I was welcomed and offered a drink, an informative get to know you chat, followed by a what can I do for you?

I asked to teter on the brink and this is what I did. Superb oral and manual skills kept on the edge until I retunned the favour and finally climaxed in classsic loving. Good cuddling and conversation, final detumesence follwed by a shower and good bye.

I enjoyed my time and was comfortable with this responsive lady. The best ever? Not quite, but up there with her. May be next time which there will surely be.
