The Premises:

As in previous reports, not spotless but not the worst place I've ever had sex either. Not far from the station, easy to find and fairly discrete, although there are other flats in the vicinity. Been to see Cathy on many, many occasions but had lost track of her since she left Flat 2. Damn glad to find out via Punternet that she was still working.

The Lady:

I'm not much fussed about a physical description as other reports have more or less said it all. I go to Cathy because she has NEVER disappointed and is always her bubbly self. Not only is she bright and bubbly but also absolutely honest. I had intended to do an hour for ?40 but after a wonderful O.W.O my knees couldn't last the distance, I said to Cathy it was great and to keep the unused money but she point blank refused and took only payment for the half hour.....not many girls would do that. Anyway.....

The Story:

Cathy performs a magical BJ, her mouth and tongue work away with great skill and laying back she soon has you ready to burst. Sure enough before too long I was gushing hot spunk down her throat, which Cathy swallows every drop of. It was this explosion of cum that totally drained me, causing me to unfortunately cut my visit short as described earlier. Many occasions before though I had fucked Cathy hard in Doggy style and from memory I can confirm that this is also excellent. We chatted for a while afterward, I collected my "refund" and we parted. We will however reacquaint ourselves very soon and I will once again feel like the cat who got the cream.
