### The Premises:

I visited Alexis at the old Indulgance in Lincoln (no longer there). Room and facilities superb. V clean and many mirrors which was just as well because u will want to see Alexis' lithe body from all angles.

### The Lady:

Alexis is a real stunner. I usually prefer older, curvier ladies but this girl is an exception. She is about 5'9", beautiful long legs, perfect rounded arse but (sadly for the breast men) v small tits. Makes up for it in other areas. Has long wavy blonde hair right down to her bum and a lovely pretty face with nice eyes and big full lips. She is only 19 years old and her pussy is incredibly tight. I am a pretty big lad and struggled to get my cock right up her when fucking her from behind.

### The Story:

Due to poor funds just went for the standard full service but was v enjoyable. Alexis was laid back and chatty and gave me a nice massage. Her oral was great simply for the fact it was so good to see her gorgeous lips around my dick. Also got v excited seeing her in the ceiling mirror. Paid a lot of attention to my balls which I like. Started with her on top and me sitting up and finished off banging her from behind. Would def visit her again if she was in this area.
