The Premises:

Debbie's is much reported and has a justifiably high reputation for location and hospitality. Jenny was maiding. She has a knack of treating you like an old friend, making small-talk to put you at ease.

The Lady:

Around 5'8", early twenties, blonde highlights, beautiful, fit, toned and tanned. A gem.

The Story:

I've seen Mandy once before. Seeing her again made me wonder why on earth I hadn't been back in such a time. She's lovely. I went for the world famous assisted shower which is an agreeable prelude to proceedings. Then followed oral on her which seemed to be well received. I spent a considerable time snorkling away down there. The complement was returned and rumpy-pumpy in two positions concluded matters very nicely. Mandy has a number of reports already, but she's such a star that I thought I'd add another. This was an unhurried service with lovely girl and set me up for the remainder of the weekend. Thank you Mandy.
