The Premises:

Her flat is clean and tidy In a residential area. Felt safe with secure enterance and good plentiful on street parking adjacent.

The Lady:

Bell is a well rounded lady who carries the marks of her experience if your looking for a stick thin fashion model she's not for you however if your taste like mine is for an experienced well used lady then shes definately the girl for you.

The Story:

I have visited bel before but felt compelled to share my enthusiasm for her. She plays a sub role well and has a very strong pain threshold. She has put me intouch with a darker side to my nature that even in later life is surprising and i thought id done the lot!

WE enjoyed oral and reverse oral, anal and exquisite rimming together with me fisting her (be warned she can be very noisy) finishing of with a BBBJ complete with CIM. I shall be back soon to see this delightfull chatty lady.
