The Premises:

Pleasant flat in large modern apartment block just off Old Brompton Road, five minutes walk from Gloucester Road Tube Station. Quiet area, very safe, even had to sign in with the Russian girl on the porters desk, she probably knows the reason for your visit (especially as I smiled and winked at her on the way out). Nice flat, candles and a shower that worked .

The Lady:

Deffinatly the girl in the photos on the agency website, not quite perfect, slightly tired looking but still very attractive. Tall, slim, dark hair, small breasts, smooth skin. Her English is very limited so conversation was difficult.

The Story:

Leila's a sweet Latvian girl, not neccasarily the best escort I have met, but still fun.

Perhaps a bit too keen to get the rubber on and start sex, she could have spent more time doing oral (what she did do was very nice), there was no CIM and very little kissing, which was a pity.

First pop ended with missionary, she then showered and answered her phone but just to say she was busy so no irritating distraction like with so many other escorts.

Second round started with gentle massage, then very much the same as first round.

I would have prefered more oral, a little more interaction, conversation and passion but all in all a nice way to spend an hour.
