The Premises:

Plush chain hotel within 10 minutes walk of Hyde Park Corner. Usual brazen walk through reception. Huge comfy bed...

The Lady:

FAR better looking than her pics. Tall, blonde, incredibly slim with fantastic (enhanced) tits. The cutest tightest hardbody and toned stomach you've ever seen. Lovely smile and sunshiny personality...

The Story:

Estelle is truly magical. She can swap from girlfriend to pornstar in a moment, and has a lovely character which continues throughout.

She started with an amazing blowjob, simply the best I have ever had. Her wandering hands explored as I held her head while she deepthroated me and licked my balls. I had absolutely no chance of lasting and came absolute buckets...

I would never have thought I would have managed to come alive again, but Estelle had me hard and rampant within minutes. She sucked me again, and while she was wanking me she looked me straight in the eyes and said "so what else shall we do?" Cue the most amazing fuck and anal. This was my first time at anal and she made it absolutely amazing.

If we'd only had 5 minutes more, I think I could have managed to fuck again. As it was, we finished with a fab relaxing massage, cuddle and snog.

Would I return? Yes, as soon as possible. She is an absolute gem...
