The Premises:

Close to station in Chippenham, a bit obvious, very exposed, so not for the shy. Safe enough.

The Lady:

Described as busty blonde, forgot to mention the other 10 stone I guess. On entry saw this one and a rather attractive younger girl, Katy. Anyways, large, from Bristol, big tits, hairy fanny and unpleasant smell.

The Story:

Asked to see younger girl, parted with money, Charlotte came back, should have asked for money back and left, agreed massage, OWO and sex.

Got high speed wank, touch of knob with tongue, more wanking, her on top, asked her to slow down she speeded up, you done now deary?, up and out. Lucky really cos the BO was starting to get suffocating. Nothing to recommend, and even she said it was too expensive and not busy. Avoid this place like the plague.
