The Premises:

Hotel was a stylish London hotel. Nice bar with doormen but no hassle getting ladies in. Rooms open and spacious with conveniently placed mirrors...;-)

The Lady:

Dead sexy. Slim, petite, but very busty - 32DD. Nice, tiny peach of an ass. Great legs. I would say Estelle is older than she appears in her photos and I suspect she is older than she looks in the flesh but she is very fit! Dresses to please in the bar and in the bedroom.

The Story:

Estelle is filthy as fuck. Very raunchy in the sack and up for absolutely anything. She is a very smart, sexy lady but likes to be fucked hard.

After demonstrating various outfits, Estelle wanted me to gag fuck her over the bed until I blew my load over her face and tits. This girl loves spunk and she spent most of the 3 hours absolutely splattered!!

She has an amazing set of toys which she'll happily demonstrate whilst you are resting between shags.

She then put on some extremely high platform stiletto heels, seamed hold-ups, and a harness which tied her hands behind her back. I fisted her pussy for a while and then fucked her hard in the ass until we both came. Estelle can take a long time to cum but it's worth the effort!

A lovely sexy lady - Estelle is the best fuck in London at the moment, no doubt.
