The Story:

Had seen profile on web site and although I normally see Petra like the discription and other reports on Linzi.

She came in wearing a black leather/pvc mini skirt and black top which was a nice change from just wearing underwear, more fun removing. Money dealt with and down to business. She is a fantactic kisser and staight away I got the impression that any thing was on the menu. Linzi commented how she likes watching herself in the mirror and with that shorts where down and my dick was in her mouth. Great OWO including spitting on my dick which I love especially watching the dripplle down her top. She leans over the bed arse and pussy in the air which was an open invite to lick her pussy Great! Then on with the cover and went for it in a few positions finishing in doggie whilst me looking at her wounderful arse and Linzi watching in the mirror.

Great fun and will see her again.
