### The Story:

Was in Bristol area by chance and saw how popular Paris was and managed too get an appointment,I booked the 45 minute session and Paris went through all her services which were first class.The sexy lapdance OWO etc,the sex lasted for ages she knows just how to keep you near the brink.When i did climax it was very explosive,she was in no rush for me too leave i had a shower and we were chatting for 15 minutes.Paris is a real superstar and its easy to see why she has lots of positive field reports.She has a very good way with people as well as being very good in bed!will defiantly return to see her in the future for a longer session just shame im not nearer its 350 round mile trip from Essex.This was defiantly one of if not the best punt ive had.
