Just like her photos , with a body to die for but with small tits say "A" cup and lovely responsive nipples.

The Story:

I just cant understand why Kristina has not got more reviews , because my experience was excellent . She is like a car that needs warming up first befor you can go and thrash her !! The secret is give her some attention first to get her aroused and going !! (she likes tongue soft and gentle , not hard and fast) She will climax to a noisy orgasm !! Then the fun starts plenty of DFK from the start and BBBJ was OK but had better (too much hand) But COWGIRL F&R was exicuted with passion and desire DOGGY a lovely sight from behind and MISH was energetic . Finished with CIM ,what a trouper . Lads this one should not be missed as she is leaving soon but will be coming back and i will be her first customer !!!!
