The Premises:

Her home was in a nice private safe area, it was very clean, fresh lining on the bed and towels in the bath room. She offered the bath room if I should I need it before hand and again afterwards.

The Lady:

Patsy is a gorgeous slim 5 ft 50 year old with a 34DD chest blonde.

The Story:

As soon as Patsy answered the door she made me feel at ease as she led me to her lounge and made coffee. She looked gorgeous in her short red skirt and blouse and thigh length black boots. After chatting for a while Patsy suggested a relaxing massage, guys I have had many massages in my time but this one was the best by far, you really need to experience it to know how good it is. Then without a word Patsy took me by the hand and led me to the bedroom. I???m not going to go into details other than to say her orals skills and kissing are out of this world. Oh nearly forgot when you visit Patsy ask her about her vegetables you won???t be disappointed.
