### The Premises:

Safe with free on street car parking just round the corner. Clean and newly opened, bit strange with 'push' on the front door to a house!

### The Lady:

As it says on the parlours web site, except I would say mid 20's, not 21. I think this is a normal thing with this parlour, if you have read previous reports on Zara's, the age always seems out. Not to detract from Amy, she is FIT, all over tan and certainly has the body of a pole dancer ;-). She is also very pleasant to talk to.

### The Story:

There is a ???10 entry fee to the maid, then the rest was by arrangement with Amy. As you may guess I had a little extra and paid Amy ???70, but this could have been the basic ???50. What we did was certainly enjoyable and I left very happy. One of the top punts I have had.

I am just glad she only works once a week, or I would be broke.

I am already planning my return visit.
