The Lady:

Gorgeous blonde Eastern European girl in her mid 20s. Bleached denim blue eyes, wide smile, full lips, curves in the right places, peach of an arse and great tits. Definitely the gal in the photos.

The Story:

Was feeling stressed at work and decided to treat myself. Last escort experience with Lauren of Maxes angels had been disappointing so decided to find myself an EE girl who knows how to pamper. Booked Laiza on the recommendation of the agency.

Laiza invited me in and we had a bit of a snog. She was wearing a very short dress which revealed just enough of her body to get my cock stirring. She looked good enough to eat and I couldn't wait to eat her. Had a drink before getting the money out of the way. Asked me to take a shower and when I returned to the bedroom her hands were all over me, stroking, squeezing, her tongue down my throat as I explored her body. Told her she was wearing far too many clothes. She shed the dress to reveal black bra and pants. Got the bra off to reveal her gorgeous tits. Licked and sucked at her very responsive nipples and rubbed her pussy through her pants as she wanked my hard cock. Show her breasts some attention guys; she loves it. She dropped to her knees and took my cock in her mouth, deepthroating me. Amazing technique. Then, suddenly stopped, sipped her wine, announced we were going to have some strawberries, ground her ass against my cock before getting the strawberries from the kitchen.

Laiza is a fantastic tease who knows just how to drive you wild. Got stuck in when she returned, fingering her tight juicy pussy and sucking her tits. She led me to the bed and we snogged, hands wandering each others bodies. She was getting really horny and asked me what I wanted to do to her. So I told her and halfway through it all got a bit too much for her and she ordered me to lick her pussy. Slid her pants off and had a feast. She stopped me when she was on the brink saying she didn't want to cum too soon, lay me down and treated me to some quality swordswallowing. She started to lick my balls and my ass then told me to get on my hands and knees. She gently parted my

arse-cheeks and began to give my arsehole a good licking, lapping away at while wanking my stiff cock. It felt amazing especially when she started tongue-fucking my arse. Finally I asked for a condom, laid her face down and slid my cock into her pussy while I fingered her arse. Then we tried a little cowgirl before I decided it was time to try her arse. Fucked her arse doggy for a while then back to the pussy for som good old-fashioned missionary which made her cum. Eventually sucked me to completion.

We had a great chat and laughed quite a bit over her friend's collection of dildoes & strap-ons but I'd been there 90 minutes by this time & figured that was my lot and also didn't think I'd rise to the occasion a 2nd time. Laiza had other ideas though and she was so determined I cum again that we overran by 20 minutes.

Laiza quite simply is great. She's the best agency girl I've been with and is on a par with the lovely Chantel.

I'm saving for the next ime.
