### The Premises:

Visited Paris at her new appartment, which is situated just off of the city centre, in a busy retail area, but with easy safe parking and a totally discret appartment entrance. The appartment was well appointed and spotless.

### The Lady:

Having visted Paris's web site many times, I thought I knew what to expect when she opened the door, and yes she is as you see her on the site. Enough said.

### The Story:

I was quite nervous meeting Paris, but I soon felt totally at ease with her, we sat and chatted for a while before she started her routine, which was instantly hands on, this lead to an amazing oral session and then onto sex. (Sorry no more details). I will sum Paris up by saying she is the girl you dreamed of 'pulling' on a Saturday night when you were younger and the type of girl your mother warned you about.

I'm now saving my pennies for my next visit, will it be a vip session a duo with Maddison, dont know but i cant wait.
