### The Premises:

Plush hotel close to Piccadilly. Got a few funny looks from the bloke on reception as I went to the lifts but it was OK. Maybe it was that everyone was suited and booted or dressed smartly, and the fact I was in my casual wear of jeans and trainers made me stand out from the rest.

### The Lady:

Just like her photos on the website. Well enhanced pair of boobs.

### The Story:

Having read the other reports about Estelle from the other punters, I thought it was time I tried to get a piece myself. Had a fantastic time. This is one one of the dirtiest filthiest girls around. She does everything. Gives fantastic BBBJs, also did a bit of rimming on me and then me on her. Fucked her in the arse real hard followed by a mish then her on top. Then to end a great time we had a shower together then she suggested that I bend her over on the sink in the bathroom and give her one last good fucking. Will I be back?? You bet I will. Max look after her!!!!
