The Premises:

Apt in Bayswater. Shabby looking after you get buzzed in and are looking for the pad, but once inside, it was okay.

The Lady:

Blonde girl with big tits. She bears some resemblance to the girl on site, but bigger and more plain looking than the photos suggest. Also got some complexion issues.

The Story:

Well, I was kinda disappointed instantly when I saw her. Not attractive, and big girls are really a turn off for me. Having settled the formalities, she asked me to undress. She then proceeded to give me a BBBJ kneeling down in front of me. Must say, it was a pretty good one and even face fucked her a bit. Finished CIM and she swallowed a weeks worth of spunk. When the blood started rushing back to my other head, realized again that I didnt find her attractive, and proceeded make an exit.

Good BBBJ2CIM but looks matter to me, and given the IMHO, huge disparity between her and her photos, I simply cannot recommend. Disappointed with the agency, and I must say its not been the 1st time.
