As previously described.

The Lady:

26/27 years old, 36C-28-36, 5'10" tall with wavy black hair and gorgeous brown eyes.

The Story:

A good massage followed by reverse massage. Rolled on a condom for some good oral, then sex in one position Ellie on her back with her legs over my shoulder. Hand relief followed before I finished myself off as Ellie spread her labia and then fingered her clitoris.

Ellie is very experienced, she told me she's worked in several different parlours in various locations around England, however she seems to have settled nicely back into her home area.
