The Premises:

Clean, functional in a flat above a taxi company - entrance discreet down side alley. Right near centre of town and loads of parking in Tesco nearby.

The Lady:

Chanelle - Just as i like my women - gorgeous shape and figure - no size zero but not a 16 either! (i would say 12ish) Blonde, early twenties, amazing all real breasts.

Paris - Again blonde, smaller in stature and slimmer than chanelle (size 8 ish i would guess) - in her early/mid thirties i would guess, but obviously looks after her body

The Story:

Its not often i visit these kind of establishments, but when i do its for something that im not going to get at home - ie the 2 girl experience - this was without doubt one of the best. Both girls made me feel welcome, relaxed and as though they were having as much fun as me (without overdoing the moaning and groaning, which sometimes can be a real turn off) - they were both happy to chat and play as the fun began. There was no rush, clock watching and it just flowed naturally. I wont go into every detail here - suffice to say that it was definitely value for money - it would have only been 90 quid without any extras, but i was happy to pay for them and would again.

Not quite 10 out of 10, but as close as i've yet come. I'll be back for more in the near future (and i've never said that before!) - shame they only work thurs & fri.
