### The Premises:

Relatively new apartment block. As per usual with IK, apartment was immaculately clean & tidy and smelling great - must spend a fortune on scented candles. Shower facilities. Parking is available underground.

### The Lady:

The pics on the website do not show her beautiful face - Layal is drop dead gorgeous & looked a million dollars! I felt like I should be taking her to a film premier. About 5ft 4 inch in her heels, dark sultry looks - beautiful face, real hypnotic eyes (found it difficult not to stare!), black shoulder length hair. Awesome body - slim, tanned & silky smooth.

### The Story:

Second time I've seen Layla within a week - for 2 hours this time as 1 hour is just not enough with this beauty! Chatted on sofa and I could listen to her sexy accent all night but decided to move things into the bedroom. Could not take the wide grin from my face once Layla took off her dress to reveal her awesome body clad in only the skimpiest of lingerie. She offered me a massage which I gladly accepted and Layla can certainly know how to use her hands. Then things got really hot and Layla presses all the right buttons. Fantastic OWO - had to ask her to stop as I was gonna explode. This was a true GFE & more! I left the apartment totally drained & floating on air & am still smiling 24 hrs later.
