### The Story:

A good massage including a little body-to-body on my front. This was followed by Fay sucking and licking my balls before rolling on a condom and giving me some deep-throat oral. Sex was in four positions, Fay on top on the massage table, from behind with Fay bent over the massage table, in missionary with her legs over my shoulders on the sofa and then doggy on the massage table to finish. I had a bit of an anti-climax, I was into the short strokes when Fay shifted her position forwards, the result being that I slipped out and shot my load into the condom in thin air. Fay is a pretty lady and very professional.
