The Premises:

Discrete first-floor flat near Leicester Sq and Covent Garden tube stations. Quite a busy street, but you do get buzzed in quickly.

Big bedroom with mirrors and a proper bathroom with a working shower.
A fresh towel without scent is provided.
Feels perfectly safe and there is a maid.

The Lady:

Sweet and good-looking English/Indian girl.
Nice soft big D-sized tits (big, but not drooping).
A shapely bum and a nice little round tummy as well.
Pretty much what you will be hoping for in an Indian.

The Story:

Buzzed straight in and after a short wait Sonia came in to the room.
Nicely dressed in suitable underwear and high heels.

Covered BJ was a too soft and her cowgirl also a bit of a limp ride.
But that is to be expected at this end of the market.
The rest was pleasant though, good to suck on those wonderful tits, enjoyable mish and the normal view at the derriere for the climax.

Excellent washing facilities with a shower
There was no rush to get me out.
A pleasant experience.

Recommended, but do not expect to get blown away.
