### The Premises:

Nice flat in a nice area. Small and shared with a friend who was sleeping when I went for a shower in the en-suite bathroom.

### The Lady:

In heels she's about 7 feet tall and whilst it's her on the website she's not that attractive.

### The Story:

Rubbish. The review section on the agency site has one review where she supposedly performed like a porn star. Unfortunately this is clearly untrue because she covered it up and went about her work in a cold and unemotional manner. When done, up she got making it clear that the session was over and it was time to go. Rubbish. Avoid.
