### The Story:

She's brand new to the scene guys so get in there quick. Very friendly, bubbly girl who aimed to please and worked hard to make me feel relaxed.

Started off with a fantastic massage, best I've received anywhere! she's qualified and experienced in this area so that always a bonus.

Flipped over to receive some deep and gorgeous covered 'O'. (didn't ask about OWO) Lots of lovely cheeky eye contact as she took my shaft slow and deep, The sight of her mouth running up and down my cock with her fit srse raised in the air was enough to keep me straining to hold on. I asked if I could return the favour and found the taste of her pussy was so very sweet and lush

This put me in the mood for a bit of doggie so I fucked her deep and hard from behind which had her moaning and flicking her hair over her shoulder as she looked round to give me some more sexy eye contact. She kept drawing my attention to our reflections in the mirror and the sight of my cock plunging in and out of that sweet pussy was more than I could take and resulted in the inevitable.

This girl maybe new but what a professional. get in there soon because she's bound to be difficult to see soon.
