The Premises:

Well reported in other reports, lovely comfy private flat with own "buzzer" entry - easy to find , Ruth gives excellent directions. Safe - just park in a visitors slot !

The Lady:

As always the pictures, whilst good, do not show just how lovely Ruth actually is. She is pretty and has a great figure. Whilst not usually a "Bum" man I have to say that Ruth has the nicest and peachiest little bottom I have ever come across ! She is extremely fit (in an athletic sense) without being muscular in any way. Supple and lithe - or plain delicious !!

The Story:

Ruth is very professional in the way that she takes bookings and sets things up. So everything is very clear and confirmed which is nice. She only takes a couple of bookings per day (one of the main attractions for me) so she does tend to get quite booked up.

This was a really enjoyable session, it started nice and slowly with a drink and a chat and things kinda moved slowly into more intimate activity. Ruth was beatifully dressed in a smart dress and I later found out that she had some lovely lingerie on as well, I believe that she has quite a collection, so you are going to be spoilt for choice here !!

Ruth kisses just beatifully, in fact she does everything pretty darn well. I think the key is that she really tries to work hard and making the encounter as enjoyable for the client as possible. With this in mind she can either be quite active or passive as the occasions demand, she is fully engaged the whole time, and is very responsive and finds it quite easy to tell you what she likes. Her eye contact is really great- she has very expressive eyes and seems to both connect and communicate, very sensuous indeed.

Sex is a delight, Ruth?s athleticism (or however you spell it!!) and amazing supple really shows here and she is able to offer new insights into some postions ..Cowgirl has never been so good !! and those eyes again - staying in any kind of control is/was really difficult.

Is Ruth Recommended ??No... she is a "Must See !!"

If I lived closer than 275 miles away I would be broke - as it is I am planning my next trip north - I'm searching for a business reason - but the real reason is Ruth !!

and just in case you thought that "Angel of the North" was on the A1 outside of Newcastle ...You are wrong !! If you like your Angels slightly cheekyThen Kendal is the place for you !!

This Angel is way too good to miss.
