The Premises:

a private flat in the fishponds area , nadia met me at the door and ushered me quietly upstairs cos the neiughbours. flat ok , smelt smokey .

The Lady:

after agreeing the price for the full service , and handing over the cash , nadia kissed me , straight in with the tongue , certainly got a stirring down below which she realised and began to expertley grope me .

The Story:

started off on the bed with the usual lay on your tummy and a bit of ball tickling , turned over , nadia is a thin girl , almost anorexic , very small boobs but huge suckable nipples , did notice which was a bit off putting bruise marks on her arms , and inner thigh. anyway onto some OWO and wow does she deep throat or what , with her playing with my balls as well had to stop her short , then had a load more frenchkissing , on with the cover and finished with cowgirl , in her tight little pussy
