The Premises:

Flat in Paddington area, easy enough to find and not far from the tube. Fairly discreet and felt safe.

The Lady:

Unfortunately, not the girl I requested. She used the same name but was not as pretty as Yukiko, who I have met before through another website. This girl was a little on the heavy side and had bad breath.

The Story:

I was disappointed not to get the girl I was promised. Went through the motions with her replacement but really felt ripped off. This agency will agree to anything to get your money, I think. After traveling halfway across the city to get laid I wasn't about to leave empty-handed, but this girl was not half as good as the real Yukiko.
