The Lady:

Susie is a very pretty girl with a warm smile that would melt anyones heart. Long blonde hair, lovely figure, and with a lovely personality to match.

The Story:

Susie arrived at the arranged time with a short call to me to inform me she was 5 mins away. Dressed in jeans & white top & her signature stilletoes. I didn't bother with uniforms so we went straight to bedroom. We sat on bed had a short catchup chat before we started full on kissing, now I'm 60+ butt-ugly & no matter how much she kissed I will never turn into handsome prince, but hey! whose complaining. Gradually began losing our clothes and fondling each other and she then began Oral which was great and to completion. She then lay in my arms as we talked and stroked each other for about 15mins. She then started to give me Oral again but I asked for HJ instead, whilst I played with her beautifully shaved pussy, but I realised I couldn't perform again (20 year old brain in an old body) so I called time out. I wish she was here now, as I'm writing this report the 20 year old brain is acting up again, oh well! I will go and wake up Mrs Palm & her 5 daughters up instead. Would I recommend Susie? I don't want to for my own selfish reasons only. Would I meet up with Susie again? Well it was our 4th or 5th meeting, so you will have to make your own minds up. Guys treat Susie with the care and respect she deserves, and be a true gentleman when you are in her company.
