The Premises:

As previously reported very nice house in very pleasant location. Easy parking. Inside very clean and tidy (puts my house to shame!!) Total feeling of safety.

The Lady:

Very attractive, slim, lovely figure. As per her pics on AW in this case the camera hasn't lied. Having seen her private gallery I felt as though I knew her intimately already!!

The Story:

Once inside her home given lovely lingering welcome kiss. Led upstairs and shown bathroom. Returned to bedroom and got the financial side out of the way then the fun began. Lovely kissing and fondling before removing clothes - I love this as it sort of makes things less commercial. Removal of our clothes then on to the comfy bed. Julie went straight for the little chap with her mouth and gave me superb OWO as I laid back with a smug smile on my face. Then to 69 and tasted her lovely shaven pussy. 69d for a while then me giving only Julie oral. She asked if I wanted the condom on for full sex but declined as I wanted O only. After a while of me giving her O we swapped and she started wonderful OWO on me again asking if I wanted to cum in her mouth. Oh OK then I thought lol and she continued at a lovely unrushed speed until I couldn't hold back and came in her mouth which was swallowed.

We then cuddled, kissed and chatted for a while with no rush to get me out. We talked about my recent bad experience with an AW girl who doesn't allow PN reports from Southend and said that her A's loss was her gain!

Roll on next time I am Romford way so I can get to see Julie again.

Thanks Julie you have restored my faith x
