The Premises:

Modern Penthouse flat in Bristol Suburb. Very nice, clean, well appointed and welcoming apartment. Safe discrete secure entrance. Easy safe on-street parking.

The Lady:

5'7" slim, fit, busty, leggy, natural blonde, mid 20's (I'm not good at ages). A perfect English Rose in every way. A little different from her pics now (with shorter hair) but don't let that put you off as the beaming radiant smile, the sexiest of hazel-green eyes and the bubbliest larger than life personality that her web site does not and can not convey, are enough to stun any red blooded male at fifty paces (I'm still floating in a different place!!). This girl is simply gorgeous in every way!

The Story:

I have never been moved enough in my 6+ years of partaking in this wonderful clandestine pastime to share my experiences with fellow 'punters' (gosh how I hate that word!!). However, having just visited Becki for the second time in as many weeks, I could not hold out any longer. If you are looking for a quick 'mechanical' shag to kill off a bit time between more important things then don't even bother ringing this lady. If however like me you are seeking to spend real quality time with a genuinely giving, fun loving lady, who is just oh-so wickedly sexy, a genuinely true GFE, you will simply not find any better. Becki (who freely admits that she loves her chosen line of work) is for the discerning gentleman, who is mature enough to know quality when he finds it. GFE and more. If I could afford an old-style mistress, she would be the one. (Why on earth am I telling you this?)

Gentlemen, all I can ask is that you treat this lady with the respect and consideration that she so rightly deserves - if you do, you will be well rewarded with a truly memorable encounter. You will however need to be quick because I am trying to think of anyway I can to run away with her and keep her all to myself for ever!! (Not that I'm in love with her or anything like that!!).
